Green Hills Retirement Village is situated in one of New South Wales oldest proclaimed towns, East Maitland. Reflecting all the charm of a country town, this is the perfect place for people who love the spirit of rural life while having life's necessities on the doorstep.

Locality

Nestled on the edge of Brooklyn Park, Green Hills Retirement Village has open, spacious grounds and is within walking distance of public transport and the Stockland Shopping Centre, with its array of shops and services.

The historic nature of the town, proclaimed in 1833, is reflected in the many fine buildings from years gone by.

Accommodation

Green Hills Retirement Village consists of 60 contemporary one and two-bedroom villas offering plenty of room, bright outlooks and low maintenance, making them a great lifestyle choice.

Featuring modern kitchens and bathrooms, separate lounge/dining areas, cosy courtyards and a security system, Green Hills Retirement Village provides affordable, relaxed living.

Fresh Hope Care operates residential and home care services at the same location. These are available to village residents if required.

Services

Weekly social activities within the village or the wider community are organised in consultation with our residents, for everyone to enjoy the companionship and variety.

To fulfil your spiritual needs, a chaplain visits regularly and is available to residents, their friends or family for pastoral support.

The grounds and buildings at Green Hills Retirement Village are kept in excellent condition by our Property Services staff, who ensure that residents enjoy the comforts of home living, without the concerns of providing ongoing maintenance or finding reliable handymen.

Fresh Hope Care is an agency of Fresh Hope, working as a not for profit Christian organisation supporting local communities.
